

European Antibiotic Awareness Campaign

November Webinar Series on Antibiotic Prescribing:

The Health Care Associated Infection and Anti Microbial Resistance (HCAI AMR) Clinical Programme are delighted to invite you to join into a series of webinars over the month of November to mark European Antibiotic Awareness Day on November 18th 2016.

Who can join and how?

Anyone is welcome to join - It is free and easy, all you need is an internet connection. You can join individually or we would encourage groups of people interested to get together in their workplace and log on as a group to assist in building you own local networks. Just click on the links to join which are listed below. There is no need to preregister. If you have any queries, then please contact Roisin Breen at roisin.breen@hse.ie

Webinar Schedule:

- **Webinar 1: 10th November 1 – 2 pm –**
Antimicrobial therapy in Sepsis
 - **Speaker: Dr Vida Hamilton**
