

Appendices

Appendix 1	Patient management form	28
Appendix 2	Flow chart for management of injuries	31
Appendix 3	Algorithm for needlestick/sharps exposure	32
Appendix 4	Algorithm for mucous membrane exposure	33
Appendix 5	Algorithm for sexual exposure	34
Appendix 6	Algorithm for human bite exposure	35
Appendix 7	HIV post-exposure prophylaxis (PEP)	36
Appendix 8	Hepatitis B post-exposure prophylaxis	45
Appendix 9	Testing of recipient	46
Appendix 10	Interpretation of HBV results	48
Appendix 11	Hepatitis B vaccine	49
Appendix 12	Hepatitis B vaccination patient record card	51
Appendix 13	Hepatitis B immunoglobulin (HBIG)	52
Appendix 14	Management of acute hepatitis C	53
Appendix 15	Tetanus	54
Appendix 16	Prescribing information for emergency contraception	56
Appendix 17	Occupational blood or body fluid exposure	60
Appendix 18	Human bite injuries, saliva and transmission of bloodborne viruses	61
Appendix 19	Community acquired needlestick injuries	66
Appendix 20	On-site assessment form (Dental/Primary care)	69
Appendix 21	Hepatitis B virus: epidemiology and transmission risks	70
Appendix 22	Maps of global distribution of hepatitis B infection	76
Appendix 23	Hepatitis C virus: epidemiology and transmission risks	77
Appendix 24	Maps of global distribution of hepatitis C infection	83
Appendix 25	Human immunodeficiency virus: epidemiology and transmission risks	84
Appendix 26	Maps of global distribution of HIV infection	91
Appendix 27	Information leaflet – no risk of exposure to bloodborne viruses	92
Appendix 28	Information leaflet – significant exposure to bloodborne viruses	94
Appendix 29	Checklist: Testing of source person or recipient	96
Appendix 30	Source information leaflet – testing for hepatitis B, hepatitis C and HIV	97
Appendix 31	Information leaflet – HIV post-exposure prophylaxis (PEP)	99
Appendix 32	Information leaflet – contraception & emergency contraception	101
Appendix 33	Information leaflet – sexual exposure	106
Appendix 34	Referral letter to infectious disease/HIV physician	108
Appendix 35	Referral letter to GP/ occupational health department	109
Appendix 36	Useful contact information	110
