

Weekly Evidence Surveillance 29/08/2025

Source	Item	Pub Date	Details
ECDC	Measles and Rubella Monthly Report	28/08/2025	Overview of measles and rubella cases reported to the ECDC for the last complete months from 1st August 2024-31st July 2025.
WHO	Report of the eighteenth meeting of the Strategic and Technical Advisory Group for Neglected Tropical Diseases, Geneva, Switzerland, 5-6 December 2024	29/08/2025	The eighteenth meeting of the Strategic and Technical Advisory Group for Neglected Tropical Diseases (STAG-NTD) was held at the headquarters of the World Health Organization (WHO) in Geneva, Switzerland, on 5–6 December 2024.
WHO	WHO Guidelines on Meningitis Diagnosis, Treatment and Care: Executive Summary	28/08/2025	Executive summary of WHO updated meningitis guidelines. The guidelines are primarily intended for health-care professionals working in first- or second-level health-care facilities, including emergency, inpatient and outpatient services. They are also directed at policy-makers, health-care planners and programme managers, academic institutions, non-governmental and civil society organizations to inform capacity-building, teaching and research agendas.
WHO	Polio eradication strategy 2022-2026: delivering on a promise, extension to 2029	26/08/2025	Extension to 2029 of the 2022-2026 Polio eradication strategy
WHO	Anthrax: implementation guidance for clinicians	26/08/2025	This guide focuses on naturally occurring anthrax, with emphasis on diagnosis, antibiotic treatment, post-exposure prophylaxis, and infection prevention and control measures.
CDC	Salmonella Outbreak Linked to Eggs	28/08/2025	CDC, FDA, and public health officials in several states are investigating a multistate outbreak of Salmonella infections linked to eggs. Key points: 95 people from 14 states have gotten sick from the same strain of Salmonella. Eighteen people have been hospitalized, and no deaths have been reported. Most of the sick people are from California (73 people).

			Country Eggs, LLC recalled Large Brown Cage Free "Sunshine Yolks" eggs on August 27, 2025.
UKHSA	Vaccine uptake guidance and the latest coverage data - GOV.UK	29/08/2025	Updated. Two new subgroups created: "RSV older adults vaccination coverage in England" and "RSV maternal vaccination coverage in England" (with a first monthly report added in each case).
UKHSA	Cover of vaccination evaluated rapidly (COVER) programme: annual data - GOV.UK	28/08/2025	Updated. Added new official statistics annual report on childhood vaccine uptake.
UKHSA	COVID-19: the green book chapter - GOV.UK	28/08/2025	Updated. Added vaccines available for autumn 2025 and a line about co-administration of RSV and COVID-19.
UKHSA	Health Protection Report volume 19 (2025) - GOV.UK	28/08/2025	Updated. A second news item (relating to syndromic surveillance) inserted; also links to latest infection and vaccine coverage reports.
UKHSA	RSV older adults vaccination coverage in England - GOV.UK	28/08/2025	Insights on the vaccine uptake and commentary on the RSV (respiratory syncytial virus) vaccination programme for older adults.
UKHSA	RSV maternal vaccination coverage in England - GOV.UK	28/08/2025	Insights on the vaccine uptake and commentary on the RSV (respiratory syncytial virus) vaccination programme for pregnant women.
UKHSA	Measles epidemiology 2023 to 2025 - GOV.UK	28/08/2025	Updated. Confirmed cases of measles in England by month, age, region and upper-tier local authority: 2025.
UKHSA	Pneumococcal polysaccharide vaccine (PPV): vaccine coverage estimates - GOV.UK	28/08/2025	Updated. Added HPR 19(8) report, 'PPV vaccine coverage annual report 2024/25', and related data tables file.
UKHSA	Pertussis: guidance, data and analysis - GOV.UK	28/08/2025	Updated. Added 'Pertussis: laboratory confirmed cases reported in England 2025'.
UKHSA	National norovirus and rotavirus surveillance reports: 2025 to 2026 season - GOV.UK	28/08/2025	Updated. Added week 35 report.

UKHSA	Avian influenza: managing human exposures to incidents in birds or animals - GOV.UK	28/08/2025	Guidance for the management of avian influenza incidents, and possible and confirmed human cases of avian influenza.
UKHSA	Pertussis: laboratory confirmed cases reported in England 2025 - GOV.UK	28/08/2025	Laboratory confirmed cases of pertussis reported to the enhanced pertussis surveillance programme in England.
UKHSA	Cover of vaccination evaluated rapidly (COVER) programme: annual reports - GOV.UK	28/08/2025	Official statistics annual data on coverage achieved by the childhood immunisation programme in England.
UKHSA	Meningococcal C (MenC) immunisation programme - GOV.UK	27/08/2025	Updated. Aligned with the changes to the routine childhood immunisation schedule. From 1 July 2024, a MenC-containing vaccine is no longer required in infancy.
UKHSA	Respiratory syncytial virus (RSV) vaccination programme - GOV.UK	27/08/2025	Updated. New document 'Why is my baby being offered an RSV immunisation' added to this collection. This guidance is for parents of premature babies who are offered Nirservimab. Older adults guidance and slide set updated to version 3.5 with interim guidance for the 80+ age group expansion
UKHSA	016619: HIV in the North-East - a study of new diagnoses between 2018-2023 - GOV.UK	26/08/2025	This research will analyse UKHSA data about who is being diagnosed with Human immunodeficiency virus (HIV) in the North East of England and what factors may contribute to late diagnosis.
PHA-NI	HIV surveillance in Northern Ireland 2024 (analysis of data from 2023) HSC Public Health Agency	26/08/2025	HIV Surveillance in NI 2024 (analysis of data from 2023)
PHA-NI	Sexually transmitted infections (STIs) in Northern Ireland, quarterly data HSC Public Health Agency	26/08/2025	Quarterly data report on STIs in NI
PHA-NI	Shingles factsheet for health professionals HSC Public Health Agency	28/08/2025	Factsheet for health professionals covers the current vaccination programme against shingles, including the vaccine, contraindications, side effects, and the latest eligibility groups: those aged 18 and older who are immunosuppressed and those aged 65 and 70 on 1 September.

PHA-NI	Summary of CDI, MRSA and GNB incidence tables, 1 April 2012 to 31 March 2025 HSC Public Health Agency	26/08/2025	Summary of CDI, MRSA and GNB incidence tables, from 1st April 2012 - 31st March 2025
PH Ontario	Measles in Ontario	28/08/2025	Enhanced epidemiological summary of measles in the Canadian province of Ontario.
PH Ontario	Legionellosis in Ontario: January 1, 2025 to August 27, 2025	28/08/2025	Surveillance report summarised the recent lab confirmed cases of legionellosis in Ontario and compares to recent years
HPRA	Drug Safety Newsletter – Edition 120 – 22 August 2025	22/08/2025	The latest edition of the HPRA newsletter includes important updates to support the safe and appropriate use of oral retinoids, and other updates
PHS	Scottish Vaccination and Immunisation Programme: summary report of visits to health boards - Publications - Public Health Scotland	26/08/2025	Report summarising the findings from the in-person board visits undertaken throughout 2024 by the PHS Vaccination and Immunisation Division team to all 14 territorial boards.
PHS	Legionnaires' disease in Scotland - surveillance report 2024 - Legionnaires' disease in Scotland - Publications - Public Health Scotland	26/08/2025	Surveillance support presenting data from 2024, 7.5% rise in cases since 2023.
PHS	Invasive Group A Streptococcal (iGAS) - Results and commentary - Group A Streptococcus (GAS) quarterly surveillance report April to June 2025 - Group A Streptococcus (GAS) quarterly surveillance report - Publications - Public Health Scotland	26/08/2025	Quarterly surveillance report on GAS in Scotland
PHS	Ending HIV transmission in Scotland by 2030 - HIV transmission elimination delivery plan 2023-26: progress report to March 2025 - Publications - Public Health Scotland	26/08/2025	Update on the HIV Transmission Elimination delivery plan (2023-2026)

PHS	Viral respiratory diseases (including influenza and COVID-19) in Scotland surveillance report 28 August 2025 - Viral respiratory diseases (including influenza and COVID-19) in Scotland surveillance report - Publications - Public Health Scotland	28/08/2025	Surveillance report on viral respiratory diseases in Scotland
IDSA	Complicated urinary tract infections: New guidelines Q&A	26/08/2025	Blog. Several authors of the guidelines answer questions about the new recommendations, highlighting key updates.
Evidence Alerts	Latest alerts		Ciprofloxacin versus Aminoglycoside-Ciprofloxacin for Bubonic Plague. New England Journal of Medicine
Canada	Various Pistachios and Pistachio-containing products recalled due to Salmonella - Canada.ca	28/08/2025	Food Recall Warning: Brand, Indo-Asian Groceries & Spices
IAEA	IAEA Observes Commitment to Operational Safety at Bangladesh's First Nuclear Power Plant IAEA	27/08/2025	IAEA report on the safety of the first nuclear power plant in Bangladesh
